Entry Deadline

Entry Deadline 4-Feb-2017

Only complete paid entries are accepted

Competition Format

- Singles competition will be run as knockout system with max of 2 players in each stage
- Teams competition will be run in two Stages:
First stage is tournament with 2 singles matches and one double match with ONE point awarded to the winning team
Second stage is knockout system to the finals.
- Teams competition requires min of 2 players
- Players in the Singles Competition can also participate in Teams competition

Regulations

It's highly recommended that each player should bring his/her own batt, as there is no guarantee there will be enough number of batts on the day

Uniform

Players must wear trainers or runners (soft rubber soled non marking shoes). **Failure** to comply with these conditions of use may cause damage to the wooden floor and **may result in termination** of access for the non-compliant players as per the venue management request; spectators will be seated in the raised spectator viewing area

Sport Venue Check-in

Players must be at the Sport Venue 30mins before the start of the competition and report their attendance with Player' Sports ID Card. Failure to do so may result in a forfeit

Code of Conduct

Any player who displays unreasonable behaviour in the opinion of officials or the Sport Coordinator before, during, or after a competition may be disqualified

Fee Payments

Fees are \$10 per player and it must be paid on the same day the registration form is submitted

Entries Limits

For Singles: Each parish can have up to 2 players per league/event.

For Teams: Minimum 2 players with No Maximum, except for Primary Gr 4-6 has a maximum of only 2 Teams

Table Tennis Competition Rules

General Important Rules:

- Players can only participate in one League/Event from the above (For example: Either Gr 7-12 or Open Age but not both in any match)
- Each Player can play for ONE parish only
- **If Players are participating in the Chess competition**, it's not guaranteed to have the possibility of delaying the table tennis match until the chess game finishes.
- Each match will be best of 5, each team/player needs to win 3 sets, the game is 11 points as per the table tennis scoring system and the rules mentioned below
- A game shall be won by the player or pair first scoring 11 points unless both players and pairs score 10 points, when the game shall be won by the first player or pair subsequently gaining a lead of 2 points.
- After each 2 points have been scored the receiving player or pair shall become the serving player or pair and so on until the end of the game, unless both players or pairs score 10 points, when the sequences of serving and receiving shall be the same but each player shall serve for only 1 point in turn.
- A player shall score a point if his or her opponent touches the table with either hand before striking the ball
- Service shall start with the ball resting freely on the open palm of the server's stationary free hand. The server shall then project the ball near vertically upwards, without imparting spin, so that it rises at least 16cm after leaving the palm of the free hand and then falls without touching anything before being struck
- From the start of service until it is struck, the ball shall be above the level of the playing surface and behind the server's end line, and it shall not be hidden from the receiver by the server or his or her doubles partner or by anything they wear or carry.

Singles Competition:

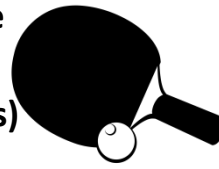

- Players from the same parish cannot swap their matches with each other in this competition as the matches will be for individuals

Teams competition:

- Each parish can participate with one team only in each stage, each team needs to have a minimum of 2 players but there is no maximum number of players within a team, so the team will have the flexibility to choose which player to play on a given match and hence more players can participate in the competition this year
- The match will consist of 2 singles matches and one double match, for each match one point will be assigned for the winner hence the points allocation for the winning church will be either 3/0 or 2/1
- The 2 singles matches need to be played by 2 different players within the team (For example: if player A played the first single match player B has to play the other single match)
- The double match can be played by any 2 players within the team irrelevant the same players played the singles matches or not
- The Teams competition will run in a tournament mode where each church will be playing more than one match, if the number of participating churches is more than 6 in any competition, the parishes will be placed in 2 groups based on the draw results and teams in each group will play against each other's as per the specified table given on the day
- The ranking of teams in each group will be determined in the following order:
 - a) Greatest number of points obtained in all group matches, if two parishes tied
 - b) The winner of the match between these 2 parishes
 - c) If more than two parishes tied we will refer to the number of games won by each parish, if still tied then
 - d) Lowest number of games lost in all group matches
- The first and second ranked team from each group will qualify to the second stage in the tournament
- The second stage will be a knockout where the first from group A will play against the second from group B and similarly the second from group A will play against the first from group B, the winners from both matches will qualify for finals
- If the number of the participating parishes in any competition is 6 or less then all parishes will be placed in one group and all teams will play against each other's, first and second ranks will be determined as the rules mentioned above
